

MAJA 12kw

MAJA 12kw sliding upward

Rated power (kW): 12

Chimney Diameter (mm): 200

Thermal efficiency (%): 71

CO - emission (at 13% O₂): 0,65

Dust emission (mg / m³): 89.7

Temperature (° C): 330

Weight (kg): 115

Coverage Area (sqm): 90-120

Fuel Length (mm): 330

Type of fuel: wood from deciduous trees (humidity maximum 20%), wood briquette

Material: Cast iron quality 200

It can be placed warmer for air distribution made of steel 1,5mm
